Consolidated Summary financial statements

Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited consolidated financial statements and the auditor's report thereon. The summary financial statements and the audited consolidated financial statements do not reflect the effects of events that occurred subsequent to the date of our report on the audited consolidated financial statements.

In connection with our audit of the summary financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the summary financial statements, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the summary financial statements

The Directors are responsible, on behalf of the Company, for the preparation of the summary financial statements in accordance with FRS-43: *Summary Financial Statements*.

Auditor's responsibility

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the audited consolidated financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing (New Zealand) 810 (Revised), *Engagements to Report on Summary Financial Statements*.

We are independent of the Group. Our firm carries out other services for the Group in the areas of whistleblower hotline services, direct tax compliance services and advisory services in the areas of tax, property, treasury and corporate finance. The provision of these other services has not impaired our independence as auditor of the Group.

Who we report to

Our audit work has been undertaken so that we might state those matters which we are required to state to them in an auditor's report and for no other purpose.
